We are pleased to announce RemTEC Summit '09, a remediation technology and information exchange program presented by Pollution Engineering magazine and Georgia Institute of Technology. The inaugural RemTEC Summit will be held on March 3-5, 2009 at the Marriott Atlanta Marquis in Atlanta, GA. We invite you to be part of a select group to attend the RemTEC Summit as our special guest. We want to invite you, as our guest, by offering you \$200 off the \$795 standard registration fee.

**YOUR COLLEAGUES ARE ALREADY SIGNING UP IN RECORD NUMBERS!**

- Seating is LIMITED and FILLING FAST!
- Tabletop Exhibits Already SOLD OUT!
- Your Place GUARANTEED with this \$200 OFF VIP INVITATION!

The summit is dedicated to the vigorous exchange of environmental professionals. RemTEC '09 is designed to be the place where you can come to hear the leading and most important sources of information on technology, application, and policy affecting contaminated site restoration. Reap the benefits of one-on-one personal contact with KEY industry leaders and professionals and learn the latest on emerging technologies.

**THE COMPREHENSIVE PROGRAM INCLUDES TECHNICAL SESSIONS ON:**

- Nano-Technologies and the Environment
- Emerging Concepts for Chlorinated Solvent Plumes
- Biological Reduction and Oxidation of Contaminants
- Chemical Oxidation and Reduction of Contaminants
- *In Situ* Precipitation and Encapsulation Technologies
- Thermal Extraction and Destruction of Subsurface Contaminants
- Molecular Microbiological Tools – What Can They Tell Us?
- Contaminant Mass Flux in Aquifers
- Changing Business Models in the Remediation Industry
- Combined Remedy Approaches
- Risk-Driven Cleanup Objectives/Remedy Timelines
- Large Plumes – The Scale Challenge
- Green Remediation
- Manufactured Gas Plant (MGP) Sites

Join us for this paramount event. Seats are QUICKLY filling up so register by February 1, 2008. Please visit [www.remtec09.com](http://www.remtec09.com) to register online. Enter discount code **ZEB200** to receive **\$200 OFF** your standard registration. We'll see you there!

Respectfully,

Doug Glenn
